

## RIIMPO319E CONDUCT BACKHOE/LOADER OPERATIONS

### Course Overview

This course is designed for individuals working in site-based roles seeking to develop skills and knowledge required to operate a backhoe/loader to load, distribute and place materials.

### Course Duration

**5 days**

**Day 1** - Theory Training

**Day 2** – Practical Training

### Informal Training

Supervised practical (logbook hours)

As part of our service, we provide the opportunity for learners to develop the necessary practical skills required for assessment. The trainer will specify the amount of practice (log hours) required after formal training is completed and this is dependent on an individual's capability.

**Note:** Learners may require additional log hours to those included in the course to achieve competency. Those that require additional practice will be charged at a daily rate or hourly rate depending on their needs.

Rate – Day \$150 per day (7 hours)

Rate – Hourly \$30 per hour (up to 4 hours maximum then a daily rate is applicable)

Note: Informal Training may not happen over consecutive days depending on availability of machinery and equipment.

### Topics Covered

- Plan and prepare backhoe/loader operations
