THIRD-PARTY ARRANGEMENTS

Our third-party arrangement service enables your business to deliver nationally recognised training under our Registered Training Organisation (RTO) scope, ensuring compliance with industry and regulatory standards. Through a formal partnership, we provide comprehensive support in compliance, quality assurance, and administrative guidance. This structured yet flexible model empowers your internal trainers and assessors, reduces reliance on external providers, and offers a cost-effective, scalable approach to workforce development.

OUR SERVICE

We enable organisations to deliver nationally recognised training under our Registered Training Organisation (RTO) scope, offering full compliance support and administrative guidance.

Internal Training Capability

Equip your staff with the skills to become trainers and assessors, reducing your reliance on external training providers. This builds long-term training capacity within your organisation, fostering self-sufficiency and reducing training costs.

Cost-effective and Scalable

By delivering accredited training in-house, you can significantly reduce the costs associated with hiring external trainers. Our flexible, scalable model ensures that your training programs can grow with your business, allowing you to meet fluctuating workforce demands without disruption.

Compliance & Training Excellence

Stay fully aligned with industry regulations and training standards. We provide expert support to ensure that your training delivery is audit-ready, meeting the compliance requirements of the Standards for RTOs while maintaining the highest quality standards.

OUR APPROACH

Collaborative Partnership

We work closely with your organisation to integrate training seamlessly into your operations while maintaining compliance and quality standards.

Customised Support

Our team provides tailored guidance, from trainer development to administrative processes, ensuring a smooth and efficient training delivery.

Focus on Excellence

We equip your internal trainers with the knowledge and resources they need to deliver high-quality, audit-ready training that meets industry standards.

Our team at Core Crew Training has a wide variety of services to meet your specific training needs

Leadership Development Training

Developing leaders at every level—from frontline supervisors to executives—through tailored, research-driven programs that foster accountability, collaboration, and effective leadership.

Training Audits and Solutions

Partnering with us through a Third-Party Agreement gives your business the expertise of a Registered Training Organisation (RTO). We handle compliance, admin, and certifications so you can focus on empowering your team to excel.

Courses

We have a range of accredited and unaccredited training that blends theory and hands-on training, we focus on building practical, real-world skills.

SkillStart

Drawing from our extensive experience in heavy industry, we've developed a ground-breaking 'new to industry' program, aimed at addressing the industry's pressing need for skilled workers.
